

Welcome to the 2020 Summer Reading Program!

Here's how it works...

1. Set a goal...how many books will you read by August 1st? Write your goal on the reading log and goal tracker sheet.
2. Read!!! Anything you read counts including magazines, graphic novels, books you read to others, books that are read to you, Ebooks, audio books, picture books, etc. Read a book and write the title and the date on the Reading Log.
3. Ask an adult to email Ms. Julie with the number of books you have read throughout the summer.
jhartline@mancoslibrary.org
4. Check out the library's website or Facebook page for updates about our community goal of 550 books!
www.mancoslibrary.org
5. Keep your eyes open in August for a certificate of completion and a special surprise for completing the Summer Reading Program!!
