

Dear Parents and Caregivers,

Thank you for supporting your child and the Mancos Public Library by participating in the 2021 Summer Reading Program. This program is open to children ages 6 through 12 (younger children welcome with the support of an adult). Each child participating will be asked to set a goal (a specific number of books) they will reach by July 30th. Please help your child set both an ambitious and a reasonable objective. Remember, our aim is to get kiddos reading as much as possible this summer so if a goal is quickly met and needs to be reset, no problem. Anything goes for reading logs including audio books, graphic novels, repeat reads of a favorite book, picture books, reading to someone else, being read to, magazines, eBooks...it all counts!!! All children who complete the Summer Reading Program will receive a certificate of completion as well as a gift certificate to Moose and More Ice Cream Shop.

Included in this packet you will find the following items:

Registration Form: if you have not done so already, please complete and return this form to the library in order for your child to be registered for the Summer Reading Program.

Reading Log: please have your child track and record each book read...this includes reading aloud with adults and with younger children. Additional copies of the reading log are available at the library.

Goal Tracker: post this on the fridge or in your kiddo's room to help keep track of reading goals week by week.

Letter to the Reader: this is a welcome letter written to each child...please review the letter together to help your child understand the program, set goals, and get excited to read this summer.

If you have any questions or concerns, please feel free to contact the library: 970-533-7600 or info@mancoslibrary.org. We are looking forward to a wonderful summer of reading with you and your family!!

Warmly,
Youth Services Manager
Mancos Public Library
